DATA PRO

JOIN US FOR THE DATAPRO HYBRID CONCEPT WORKSHOP!

DATE: SEPTEMBER 27, 2024
TIME: 9:45 AM - 1:00 PM
FORMAT: IN-PERSON & ONLINE

About the Workshop:

The Erasmus+ Project DataPro aims to enhance the knowledge of school students regarding the multifaceted nature of data usage and protection. This involves unravelling the complexities of data collection, storage, and utilization as well as empowering students to make informed decisions about their digital agency in a world of surveillance and making money out of their data.

How to Participate:

To access the online workshop and view the full agenda, please visit our website. This event is free of charge.

**Don't miss this opportunity to engage with experts, explore critical issues in data protection, and enhance your understanding of digital citizenship.
We look forward to your participation!**
